

TAX ACCOUNTANT

Today, more than ever, you want to join a firm that helps you reach your goals, both professionally and personally. You want a firm that will value your contributions and respect your commitments outside of the workplace. **Welcome to Kirkland Albrecht & Fredrickson!**

We are a mid size, regional CPA firm who provides a progressive, flexible and challenging work environment and we are looking for a tax accountant to work 40+ hours during tax season and would consider a reduced schedule for the remaining part of the year. Responsibilities will include the review of individual, fiduciary, and gift tax returns. Qualifications for this position include the following:

- Bachelor's degree in accounting
- Three to four years of individual, fiduciary, and gift tax compliance experience within public accounting
- Strong computer, research, communication, and interpersonal skills required.

Firm offers competitive salary and compensation package which includes medical, dental, disability, life insurance, 401(k) plan, tuition reimbursement, three weeks of time off, and bonus program.
